

***DEVELOPMENT FOR THE BENEFIT OF THE ENVIRONMENT,
ENVIRONMENT FOR THE BENEFIT OF LOCAL COMMUNITIES***

The Environmental Conservation and Development project

Since 1999,
Prek toal core area

THE TOURS

Wonder at the splendid nature with the biggest bird sanctuary in S-E Asia.

4 tours for every desire:

2 day trips
2 overnight stays

With your
very own
Certified
Osmose
tour guide

Discover the villagers' unique way of life:

- Paddle boat tour to observe and understand the activities of the villagers
- Weaving class with Saray social enterprise that transforms the beautiful water hyacinth into a very unique handicraft
- Cooking classes with the beneficiary of the community restaurant
- Sleep in homestay in a traditional floating house

WHY ECO-TOURISM?

Thanks to
eco-
tourism

we can ...

Create local jobs
(8 villagers are Osmose's
employees)

Creation of a functional and
now independent CBT

Increase Prek Toal's
standard of living

Generate direct revenues
(paddlers and cooks, homestays)
and indirect ones (artisanship)
for at least 80 families.

Finance the
environmental
education program
for children

WHERE YOUR MONEY GOES?

What happens when you buy a ticket

3 months of exclusive training with Osmose.

Extensive knowledge of the Tonle Sap ecosystem and expert of water birds.

Transportation, food, qualified guide

38%

Income for Environmental Education
